

Chicago-Kent Student Chapter Presents:

Keller v. Krent

Wednesday April 7 from 3:30-4:30 pm via [Zoom](#)

We are at it once again! Professors Cherish Keller and Harold Krent face off moot-court style on a question of constitutional law. They will argue the U.S. Supreme Court case *Caniglia v. Strom* and will focus on the question of whether the “community caretaking” exception to the Fourth Amendment’s warrant requirement applies to searches of the home.
