THE BUDGET

Section 1: The Budget. This Article aims to create a streamlined budgeting process by providing rules and regulations for the distribution of any Student Bar Association funds (the “Budget”). The total Budget shall consist of the General Operating Fund, the Supplemental Fund, and the Initial Budget.

(d) ***Student Activity Fee:*** The fee paid by all students pursuant to Section 12.3 of the Chicago-Kent Student Handbook.

(e) ***Student Organization:*** A group recognized by the Student Bar Association as an eligible organization to receive funding. In order to be eligible for Student Bar Association funding, a Student Organization must yearly submit the following to the Student Bar Association: (1) a copy of their bylaws, containing an election procedure with a method to challenge election results that has been approved by the Student Organization Bylaws Committee; (2) a list of their officers, including only one (1) President and one (1) Treasurer; (3) their student organization email address, website, and faculty advisor; and (4) attend the Leadership Seminar that is to be held at the beginning of the year by the Student Bar Association President and Treasurer.

(h) **Funding Deadline:** The day at the end of the semester selected by the Treasurer after which no additional funding appropriations will be available for Student Organization use.

(j) **Supplemental Fund:** The fund created pursuant to Section 6 of this Article.

(k) **Student Organization's Student Bar Association Accounts:** Account maintained by the Chicago-Kent College of Law Office of Administration and Finance where Initial Fund Allocation Amounts and allocations from the Supplemental Fund are deposited.

Section 3: Activity Fee. The Student Activity Fee is the primary source of funds that are distributed by the General Assembly. It is the duty of the general assembly to approve the preliminary budget and, at the time of approval, to address any concerns so that all line-item allocations adequately meet the needs for which the funding is planned. After all, the General Assembly acts on behalf of the entire student body to ensure accountability for the funds allocated and to promote the fiscal responsibility of Student Organizations.

Section 4: The Budget.

(a) The Budget is the annual budget created by the Student Bar Association Treasurer that contains all expected expenditures for the year.

(b) The Budget is considered and approved by the General Assembly that includes the Initial Fund Allocation Amounts for each Student Organization.

(e) The Initial Fund Allocation Amount shall be used in any manner that complies with the Student Bar Association bylaws, Chicago-Kent College of Law rules, and IIT rules. The Student Bar Association General Assembly and the Treasurer are not responsible for reimbursement if a Student Organization spends its Initial Fund Allocation Amount on any event or item that is not ultimately approved by the school.

Section 6: Accounts. Account numbers are distributed by the Office of Administration and Finance. Any Student Organization that chooses to keep an account must petition the Treasurer to set up an account with the Office of Administration and Finance.

(a) Student Organizations are prohibited from maintaining private accounts outside the Office of Administration and Finance to hold funds for the Student Organization. This regulation was put in place to insulate Student Organizations from liability that arises from maintaining a private account.

(b) If a Student Organization chooses to charge its members student membership dues, they can be deposited in the Office of Administration and Finance in Suite 265 in a non-SBA account.

(i) Student Organizations that charge dues will have the ability to request funding from the SBA Supplemental Budget so long as the dues being collected do not bar

membership to their organization or access to organization-wide resources if a student cannot or does not wish to pay them.

Section 7: Reimbursement Procedures.

(a) To be reimbursed for any expenditure within the Initial Budget, an individual from the Student Organization should complete the appropriate form and submit it to the Student Bar Association Treasurer, or if the Treasurer is not available, to the Student Bar Association President, for approval.

(b) The requestor must comply with the policies and procedures of the Office of Administration and Finance throughout this process. Any questions on these policies should be directed to the Treasurer.

(c) The Treasurer shall under no circumstances approve a check request for himself or herself – the President must approve check requests payable to the Student Bar Association Treasurer. Similarly, the Student Bar Association President may not approve a check request for herself or himself– the Treasurer must approve check requests payable to the Student Bar Association President. Should the President or Treasurer approve a check request in violation of Article X, he or she shall be referred to the SBA Board of Inquiry immediately.

(d) IIT is a tax-exempt organization, and is not subject to sales tax. Therefore, Student Organizations will NOT be reimbursed for sales tax.

(g) The Treasurer must notify the requesting Student Organization of the Committee's decision with 24 hours of the vote.

(h) When deciding whether to grant a Supplemental Funding Request, the Treasurer may only vote to break a tie.

(i) Once the request is granted, the Student Organization may only be reimbursed for the amount voted upon by the Committee and only for the purpose for which the Supplemental Funding Request was originally made. The President and the Treasurer have the discretion to deny or retract the reimbursement if it is discovered that the Student Organization used the money for a different purpose.

(j) Limitations. The Finance Committee may grant a Supplemental Funding Request for any reason, except:

(iv) any purpose that would conflict with the rules, regulations, and/or policies of Chicago-Kent College of Law or IIT.

Travel reimbursements shall be made in similar fashion as all other appropriations.

Section 10: Competition Registration Expenditures. Any Student Organization competing in an official Moot Court or Trial Team Competition is subject to pre-approval of its request, at the discretion of the SBA Treasurer, after submitting a Supplemental Funding Request.
